...and that SDA will provide this script to the clinician, eliminating the need for me to forward a clean, original script.

I understand I am still responsible for providing the Provincial Office, in consideration of the Middle Years' Festival deadlines

- Proof of royalty payments and rights to perform
- Any changes made to the script and permission to make changes

NOTE: Small Changes may be listed on a sheet of paper and e-mailed, faxed or mailed to the Provincial Office. Extensive changes must be marked on a photocopied script and sent to the Provincial Office so that it can be sent to the clinician with the original library script.
